

PULSAR 3PT

Measurement table (quick check)
Tavola di controllo

MEASURE INSTRUMENTS STRUMENTI CONTROLLO

- Measurement table with 3 contact points
 - Base in hardened stainless steel inox temp 50HRC
 - Interchangeable accessories mounting hole $\varnothing 8$
 - With pre-charge for inside / outside measurement
 - Accuracy: 1 micron rep.
 - Adjustable measuring force 0 -10 N
 - Supplied with extension for/and dial gauge 0,01, n° 3 contacts sphere $\varnothing 10$
- Tavola di controllo con 3 tastatori
 - Piano in acciaio inox temp 50 HRC
 - Puntali intercambiabili attacco $\varnothing 8$
 - Con precarica per misurazioni interni / esterni
 - Precisione: 1 micron ripetibile
 - Spinta regolabile da 0 a 10 N
 - Dotazione standard: comparatore 0,01, n. 3 tastatori a sfera $\varnothing 10$ e prolunga porta comparatore
